

Invitation to a Workshop

Child & Adolescent Mental Health Services

Neuro Developmental Planning

An opportunity to influence change to the Neuro Developmental Pathway Model of Care

On: Tuesday 12th September 2017

At: 9am to 1pm

Venue: Clarendon Hall, York House Twickenham

The workshop will provide an opportunity to work with a range of stakeholders to co-produce changes to the neuro development pathway. This is in response to meet the demand for neuro developmental assessments.

The workshop will focus on:

- Understanding the local context
- Reviewing our local neuro developmental pathway
- Identifying key issues with pathway actions
- Sharing best practice
- Action planning to improve the service offer

Who should attend?

Representatives from Health, Schools, Education, Social Care, Voluntary Sector, Parents and Parent/Carer Groups

Places are limited and will be allocated on a first come basis.

RSVP to: nicola.allday@richmond.gov.uk providing your name, email address, role and organisation including specifying your area of interest.
